To Thomas,
Always remember the
gross jokes of Eggers and
Faulkner, especially "tomato Juice".
Remember poor old JAKE, what a
Mentally stable rat he was. Remember
"Maj" (the old stinker) and his two pets (ha?).
I Hope that in life you will try to live
by morals exemplifying the type of life
of a true Taylor. Remember the mirror maze.
Remember Sheila.

We at Davidson are no different from any other students. Students have common experiences which can be understood by themselves. Experiences compose our lives; it is only what we perceive on the moment of now that gives us a conception of what we are. To achieve a sense of continuity in our experiences we shall create a semblance of order and preserve its existence as tiny images of a puzzle, each fitting into its proper place in the whole. The purpose of the TOSHOA is to present a comprehensive picture of life at Davidson.

In a puddle by the roadside
Left by the warm spring rain,
Its waters dark and muddy
With the brown earth stain,
I saw a glorious mountain
That stood up bold and high
Reflected in the water
With a patch of cloud-decked sky.

Sometimes in folk around me
With burdens, hurts and fears:
Through joyful, happy hours
And often through their tears:
In some loving acts of kindness
As they show how much they care-
In the lives of folk around me
I find God reflected there.

Dedication . . .

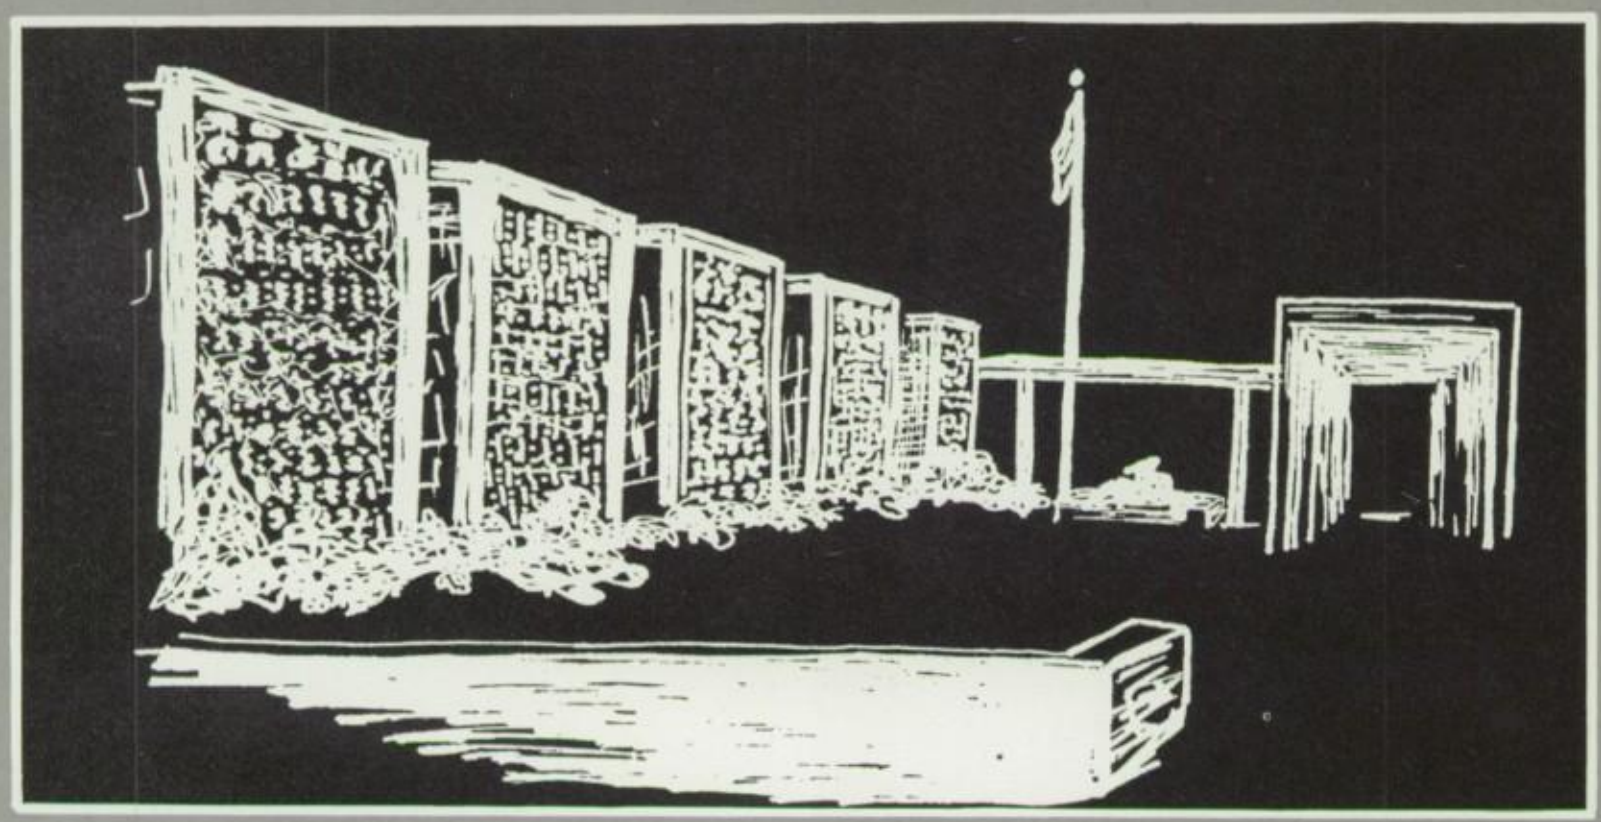
There are students on our campus who limit their existance to the classroom totally. Yet there are those who participate as a whole harmoniously, and who contribute to society and themselves. Their encounters present a lasting relationship to our campus. Its honor depends on these, not on the building or on just academic achievements.

To these students we dedicate this, the 1967 TOSHOA.

TOSHOA 1967

"A teacher affects eternity: he can never tell where his influence stops."

Henry Brooks Adams



FACULTY

Administration . . .

The development of man's intellectual powers and civilization march down the highway of life together. The two are inseparable. The affluency of our society and the freedoms we enjoy today stem directly from the investment previous generations have made in intellectual development.

The four plateaus of intellectual development are:

1. Learning isolated facts without regard to their relationship to each other.
2. Acquiring organized bodies of related facts generally referred to as knowledge.
3. Mastering the skills of applying facts and knowledge in thinking and in problem solving without regard to subject matter areas as such, leading toward understanding.
4. Achieving wisdom which includes not only knowledge and understanding but broad experiences in problem solving and intellectual and emotional maturity as well.

The end of intellectual development is wisdom. All learners are not equally successful in achieving this objective. Many lose their way in the fog and confusion of trying to master isolated facts, failing to differentiate between what is important and what is unimportant and failing to learn how to use organized knowledge in thinking and in problem solving.

Daniel Webster, a great American, once said, "If we work marble it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds and instill in them just principles, we are then engraving that upon tablets which no time will efface, but will brighten and brighten to all eternity."

Dr. Cranford H. Burns

Dr. Cranford H. Burns and the Mobile County Board of Education work toward the continuing improvement of our school system.

"The very spring and root of honesty and virtue lie in the felicity of lighting on good education."

Plutarch

Since entering Davidson High School as a visitor in the Spring of 1963, I have considered the school's structure fabulous. At that time it never occured to me that the following August I would become one of its administrators, the assistant principal. The potential of the student body and faculty indicated that it could become the elite school of the state of Alabama.

Your willingness to learn and to cooperate and your desire to be friendly and enthusiastic have given Davidson its deserved place in greater Mobile, the State of Alabama, and the nation.

You are good high school students. Davidson's graduates have entered colleges and universities in all parts of our country. They have proven that they rank with the best scholars.

You are young and proud. Hard work, cooperative effort and integrity with the studious effort of everyone will make Davidson High School the model school in Alabama.

These characteristics are reflections of a Warrior's Spirit.

Mr. Edward L. White

Mr. Edward L. White

Ed White

Mr. Bobby Gwin, Assistant Principal of Davidson, has served in this capacity since January of 1965. He was born and raised in Monroe County.

In 1951 he received his Bachelor of Science Degree from Troy State College. He attended the University of Alabama and received his Masters Degree in 1957. In 1962 he completed requirements for his A A Teaching Certificate.

Mr. Gwin, his wife Louise, and their children, Bobby, Barbara, and Mike, attend Fulton Road Baptist Church. Bobby Jr., the oldest son, attends B.C. Rain High School; Barbara and Mike are enrolled in Adelia Williams Elementary School.

Reading professional material, watching football games, and hunting occupy his leisure time.

At Davidson, Mr. Gwin's duties involve the responsibility for counseling students, scheduling, necessary announcements, and arranging parent conferences.

" 'Tis education forms the common mind: Just as the twig is bent the tree's inclined."

The guidance program at Davidson involves a group of services developed to assist each student to attain his maximum potential development and adjustment.

Guidance services are organized to give continuous assistance to each student in knowing himself as an individual, as a member of society, in making the most of his strengths, and in correcting or compensating for limitations. In relating this information realistically to the student's needs and potentialities, in helping him with the social-moral-spiritual problems common to youth, and in discovering and developing creative interests and appreciations, the individual student is helped by the school toward self-realization, self-direction, and self-action.

Each member of the school staff has his own responsibility in the guidance program and works cooperatively with other members of the staff. Members of the guidance and teaching staffs understand their mutual responsibilties in helping each student to plan and carry out the course of action adapted to his personal needs.

Mrs. Pinnell pauses to listen to the comment of her students.

The English Department is dedicated to the proposition that English is the one area that cannot be replaced in the school program. Ideally, the responsibility for effective communication rests with the entire school, but realistically it rests with the English teachers.

Our aims are:

To educate every student to a workable knowledge of his language, to an appreciation of his language and to an awareness of the various media of communication.

To furnish him with a background for putting his language and literature in historical and cultural perspective.

To develop for him a foundation for judicial reasoning.

To develop in him a certain competence in effective written communication.

To instill in him a love for reading.

To foster in him an awareness of and appreciation for individuality.

Social Science . . .

"History is the witness of the times, the torch of truth, the life of memory, the teacher of life, the messenger of an antiquity."

The objectives of the Social Science Department are varied. The department attempts to encourage the development of individual perspective in understanding past and current world affairs. It desires to stimulate an interest in the mechanics of social change.

The department strives to better individual understanding concerning the political and economic facts of life. Also, the Social Science Department hopes to substitute documentation and careful investigation for stereotypic thinking and unfounded conclusions.

Library . . .

The library, under the supervision of Mrs. Rosalyn Perdue and Mrs. Ruth Modling, is a great asset to Davidson students. The library is used to further our academic goals and to give us pleasure from reading.

Our trained librarians aid students in their use of reference books and periodicals. Student assistants also help to keep the library functioning efficiently.

We presently have 10,500 volumes and more are on order. Our library is growing with Davidson.

Under the direction of Mr. Orland Thomas the Department of Fine Arts has received many honors. The marching band participates in many parades and half-time shows. The band delights the fans both with intricate drills and novelty performances. Our chorus and orchestra present many fine performances throughout the year. Both the band and chorus received Superior Rating in 1966.

The art classes decorate for the Azalea Trail Pageant, as well as for many of our school dances.

Commercial . . .

We believe that Business Education on the secondary school level should:

Inspire our students in the learning process and create an environment in which learning can take place most effectively.

Give the students an opportunity to develop such capacities as they may possess in order that they may function effectively in the business world as a citizen and consumer.

Provide those students who possess potential ability with a marketable skill.

By having a close relationship with his students, Coach Little strives to help boys who possess manual skills to develop them to their fullest capacities of industrial arts which prepare the boys for a beneficial adult life.

Mr. J. L. Porter concentrates on the woodworking department and Mr. T. R. Usry spends his time teaching mechanical drawing. These three, as a team, contribute much to Davidson's curriculum.

"Brainstorm" is sponsored by the Student Council and is designed to promote the spirit of learning at Davidson. It is hoped that "Brainstorm" will enhance routine educational procedure with the enthusiasm of intellectual competition.

"Brainstorm" resembles "College Bowl" and Jeopardy" but the questions for "Brainstorm" are taken from high school curriculum and are composed by Davidson faculty members. Questions concern various categories. Some of the categories are: authors, American history, physics, and inventions. Here are some examples of questions from the category of inventions:

1. Who was the Greek inventor of the waterscrew and block and tackle principle? Answer--Archimedes
2. What was the invention that made Samuel Colt famous? Answer--The revolver
3. Who was the English inventor of radar? Answer--Sir Robert Watson-Watt.

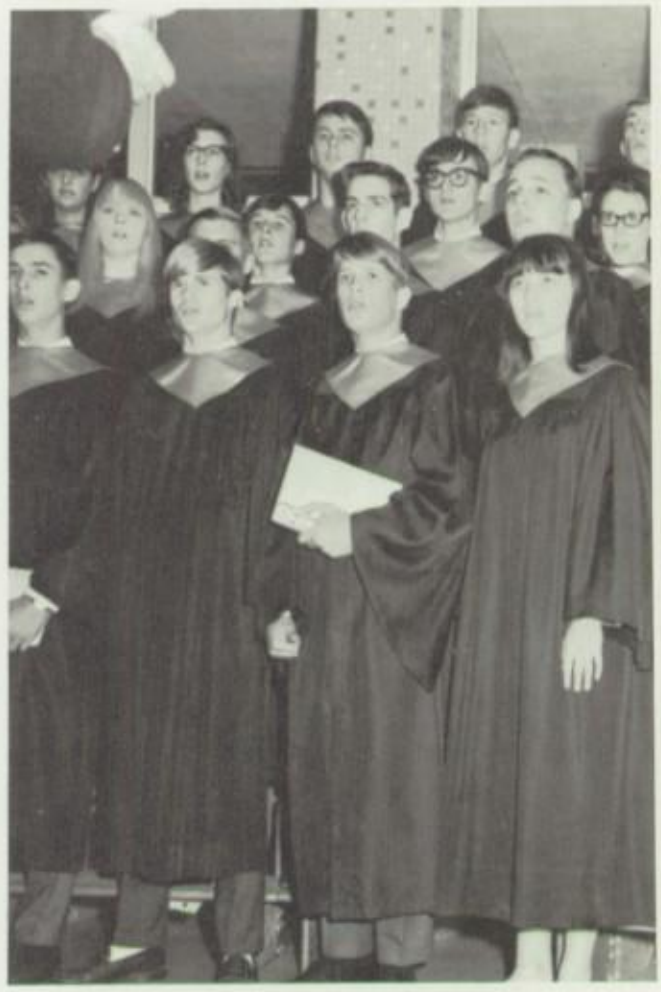
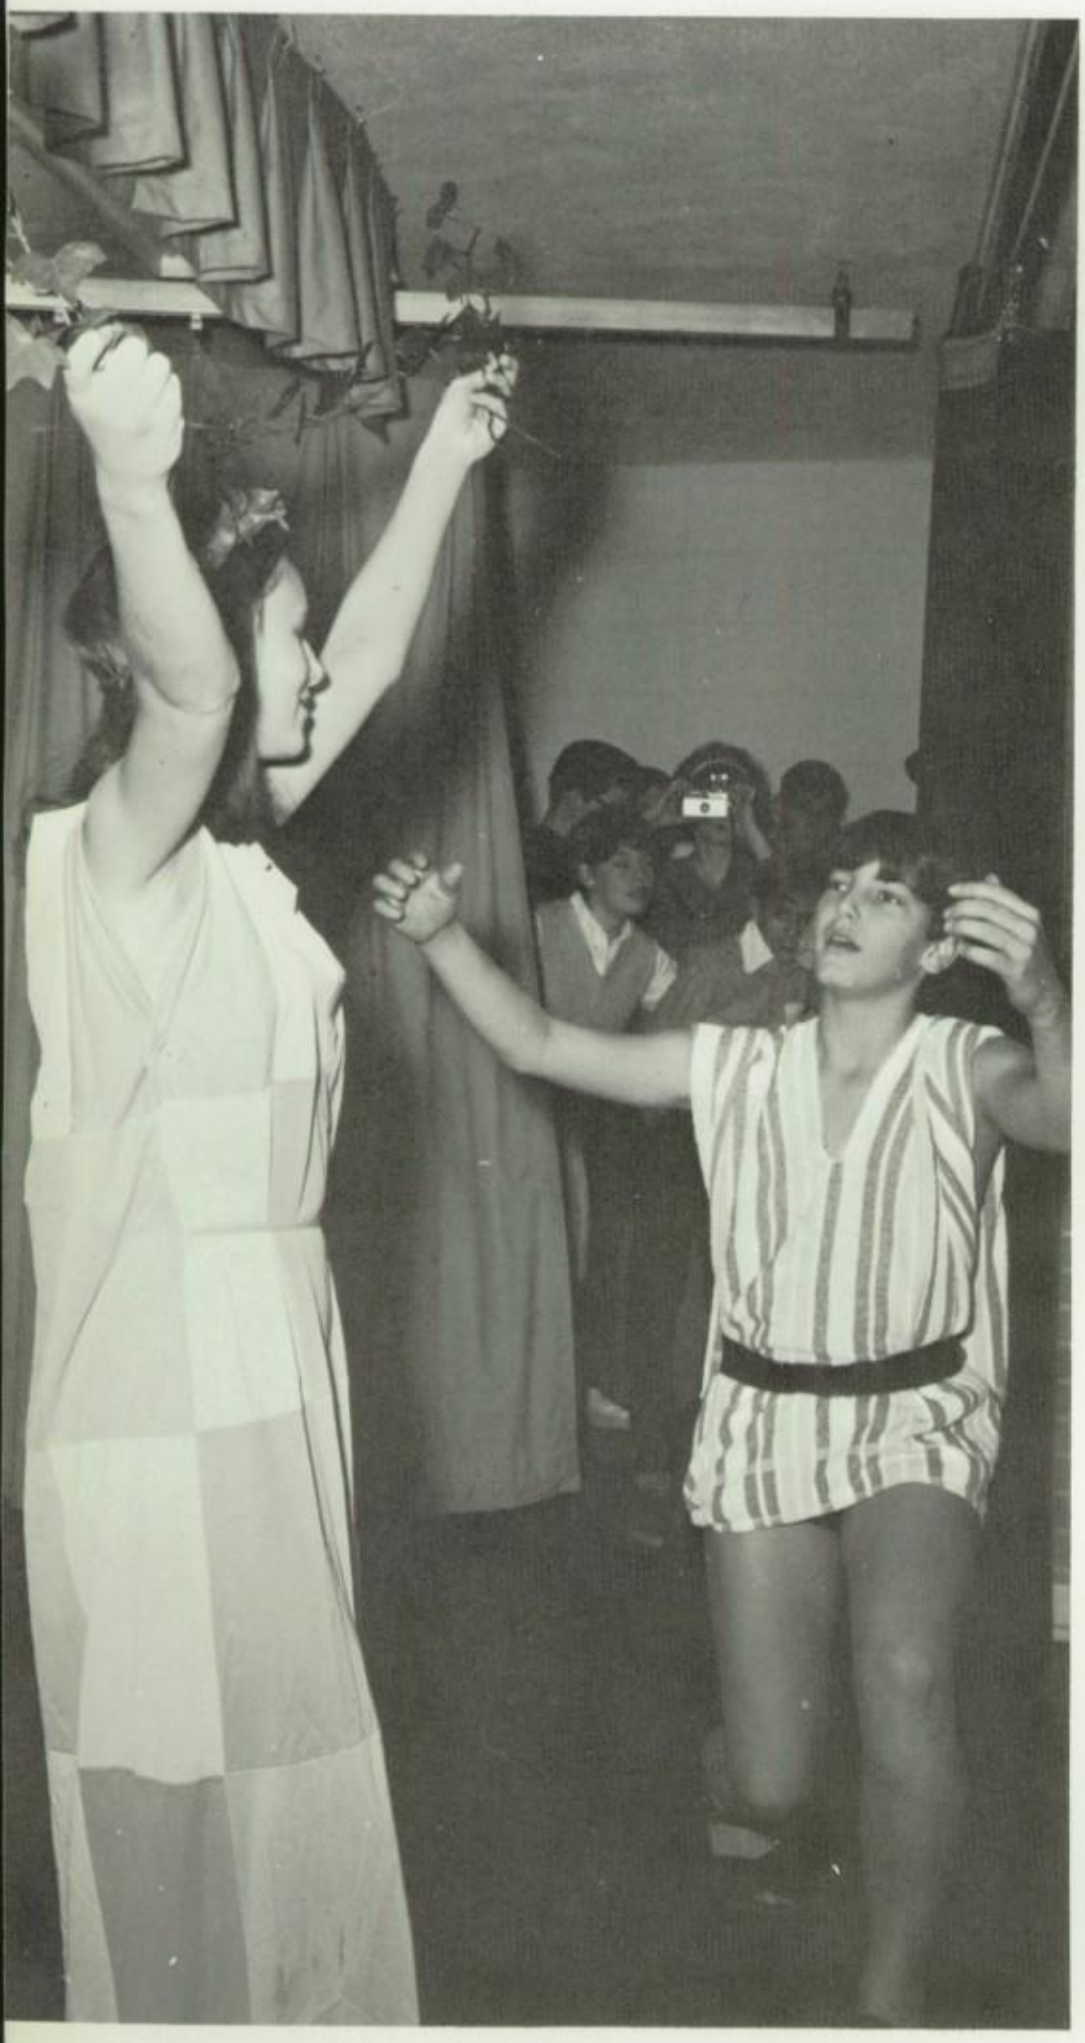
To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.



Good Grief! Mr. Thomas fell off the ladder from the top rung!

A program of Christmas music was presented by the Wind Ensemble and the Special Chorus.



Davidson's Latin Department presented the Greek drama, Alcestis, on January 10, 1967. It was originally written and produced by Euripides in 438 B.C. Sheila Post, senior, directed this production during first period. An exhibition of Greek dolls, statues, and clothes of this Grecian period was displayed by Candy Rumpanos and Debbie Riggs. The traditional cake with the hidden bean for good luck, a ring for romance, and a penny for wealth was served to the visitors. Mr. White found the ring in his serving and is promised romance. Another activity on campus was conducted by Mike Thompson. Mike is a junior and winner in the academic Silver Key competition on a state level held on the Davidson campus in April.

Davidson's top six were presented. These were six of the **GIRLS???** on the faculty. They are: Miss Hortence Vaughn, Miss Roberta Gwin, Miss Harietta "Honey-legs" Little, Miss Pauline Babuchna, Miss Rosalind Brown, and Miss Henrietta Shepard.

Teachers Are Human!

Several scenes were shown as to what **really** happens in the teachers lounge. **WHAT**???? Mr. Moffit plays his guitar and Mr. Martin and Coach Newton sing a duet together.

A new singing group was introduced called the Teacher Rebellions composed of Miss Smithson, Miss Stovall, Mrs. Owens, and Miss Hodges.

The night of February 16, 1967, found Davidson's faculty performing in a Faculty Talent Extravanganza.

As the curtain opens we see Mrs. Helen Robbins as she flys across the stage on a rope. "Wheee."

Next we see Mr. Harney as a **BABY**???? and Coach Fletcher, as his father, in a hilarious dialogue entitled Milk Language.

However, not all of the program was comedy. Unknown to many of us, the Davidson's faculty is gifted with some very talented people. This was evident as Mr. Armstrong, Mr. Gaston, and Mrs. Voight displayed their singing talents.

The faculty's answer to the Beatles, Davidson's Beauty Review, Zeigfield follies, and Spanish Flea were enacted.

A realistic view of the teachers' lounge showed the chaos that prevails continuously.

It was a night that will be etched in the minds of Davidson students for years to come.

Master of Ceremony, Mr. Rodgers, introduces Davidson's talented faculty.

"Mrs. Robbins, if you insist upon wearing 'meany' skirts, I forbid you to give another E! Meany??? skirts — oh, that's two-thirds pun — PU.

"Where's your Mommy little boy? Where's your Mommy?"

Verses of "Yankee Doodle" are sung by Linda Hairston. Go-Go-Girls dance and sing "Jingle Bells" in the cafeteria.

What is it?

The results of Slave Day, a Chinese auction instituted by the Key Club. The phenomena continued all week and was climaxed by the slaves granting their master's wishes. Auctioneers Terry Carter, Dick Dansereau, Tommy Doughty, and Duncan Greenwood, sold Joanna Mason for $8.00, Pat Bryant and Betsy Willis for $25.00, Kay Dixon for $6.00, and Wade Boyette for $9.00. The wealth of slaves totaled $230.

Computer Dance

For an electronic-eye view of what has happened, Davidson turned on the current and everyone was matched by the computer's impulse. Automation uprooted wall flowers. Shrinking violets turned into Venus flytraps.

These were the remarks: "Hey, who'd you get?"

"Good grief, not HIM!"

"Hey, Claudia got a Freshman!"

"This computer is an ego-buster."

"Jimmy came in with Phyllis and got her sister."

Beauty Queen Selected on

Freshman Beauty	Sophomore Beauty	Junior Beauty	Senior Beauty
Shelia Hagler	Connie McLain	Susan Brantley	Brenda Talbert

Masters of Ceremony, Terry Carter and Herndon Inge, welcomed all to Davidson's second annual Beauty Review.

Judges, Dot Moore, Danny Trainer, and Mrs. Edward White, had the difficult task of chosing Davidson's Beauty Review Queen.

Valentine's Day

Beauty Review Queen

Emmalee Shanks

Valentine's Day was appropriately chosen for Davidson High School's second annual Beauty Review.

Two girls were chosen to represent each section. From these girls three were chosen from each class as semi-finalists. They were: Freshman; Sheila Hagler, Priscilla Givens, and Jan Simmons; Sophomore; Diane Edmonds, Amy Grissette, and Connie McLain, Junior; Ruth Boyd, Susan Brantley, and Shirley Mahan, Senior; Carol Nichols, Brenda Talbert, and Emmalee Shanks.

Last year's queen, Perri Cutts, crowned Emmalee Shanks, Beauty Review Queen of 1967. Her court was composed of Sheila Hagler, Connie McLain, Susan Brantley and Brenda Talbert.

The judges were Dot Moore and Danny Trainer from WALA and Mrs. Edward White, wife of Davidson's principal.

"Let us strive on
to finish the work
we are in."

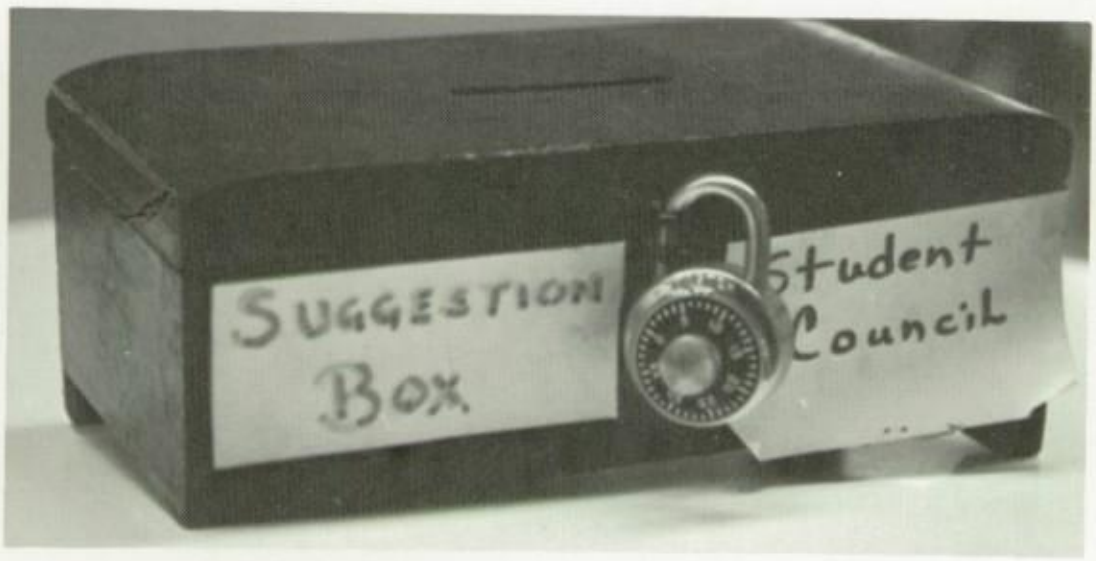
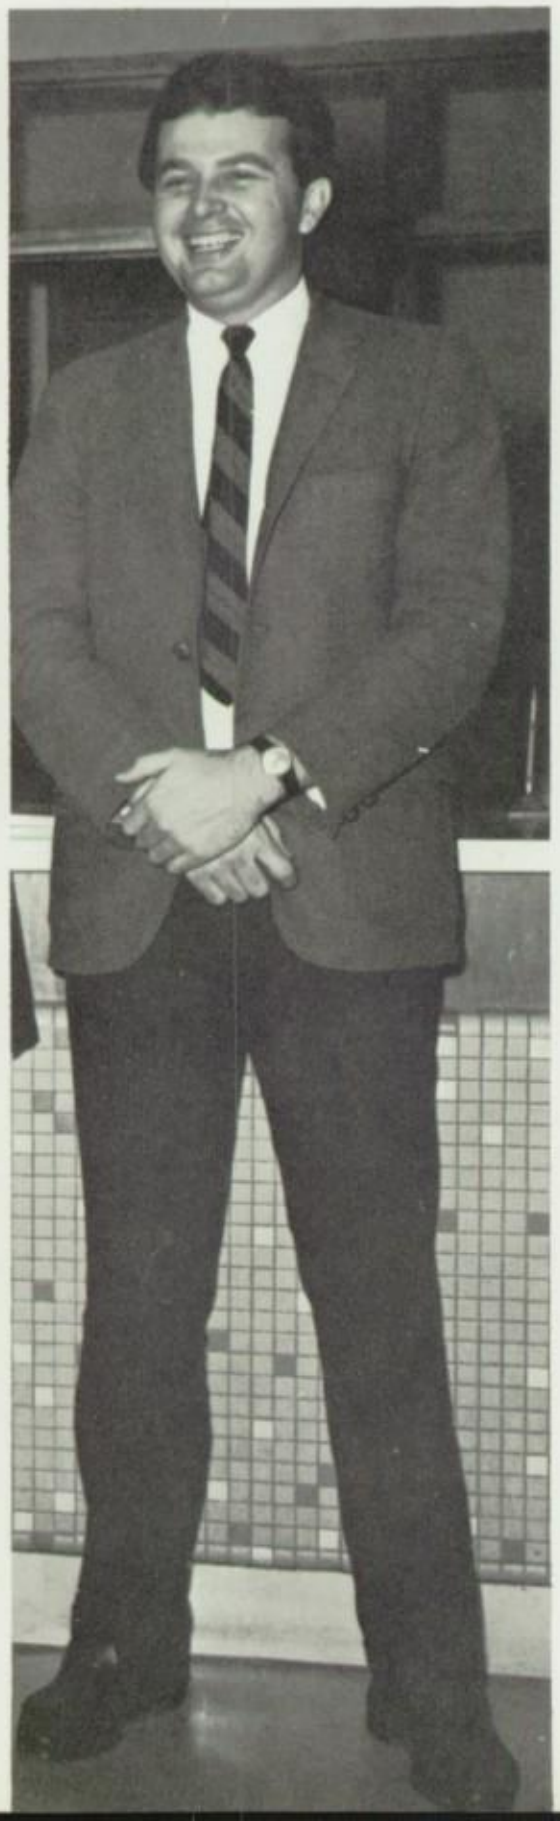
ORGANIZATIONS

Every Thursday night in the conference room is the scene of the 1966-67 Student Council meetings. Unsurpassed in merit, this council has made a name for itself in outstanding accomplishments such as the publishing of Davidson's first **Football Spirit Book** and the newly revised student handbook, **Guidepost**, the sponsoring of Homecoming "66", and the successful completion of various money-making and service projects. To promote harmonious relations throughout the school and to boost school spirit are two of the objectives of the Student Council, carried out to the fullest by these thirty-six zealous officials. With Mr. Moffit as sponsor, the council is a member in good standing of the Alabama and National Association of Student Councils.



Student Council



The members of the 1967 Student Council are: President Ralph Amick, Vice-President David Kirkpatrick, Secretary Martha Williams. Senior members are: Joe Howell, Mike Brissett, Brownie Woodall, Pat Holland, Danny Jones, Stephanie Lee, and Marie Daniels. Junior members are: Cynthia Tanner, Linda Dulaney, Kay Dixon, Brenda Clemens, Ann Woodall, Jerold Klein, and Elaine Hartley. Sophomore members are: Bobby McKinney, Keith Blackmon, Debbie Payton, Shirley Hough, Dede Haughton, Larry Brown, and Kathy Albritton. Freshman members are: Angie Perdue, Becky Howell, Brad Tipler, Trevor Howell, Belinda Hollaway, Cindy Green, Larry Hughes, Martha Pursley, and Georganne McKenzie.

The TOSHOA '67 staff wishes to extend our sincere appreciation to those who have assisted in our publication: the Toshoa Times staff, the Key Club, the Student Council, the Art Department, the Office Personnel, those helping in the subscription sales, and our teachers and parents.

The staff journeys to the Cottage Hill Post Office to mail our TOSHOA '67 to the publisher.

Peggy Dietz and Carolyn Dart calmly take editor's joking while Jan Henderson grimaces. "Want an apple, Jan?"

Editor, Betty Jo Farris and Assistant Editor, Janey Pinnell consult with their faculty advisor, Mrs. Mildred Atkins, about their meeting the next deadline.

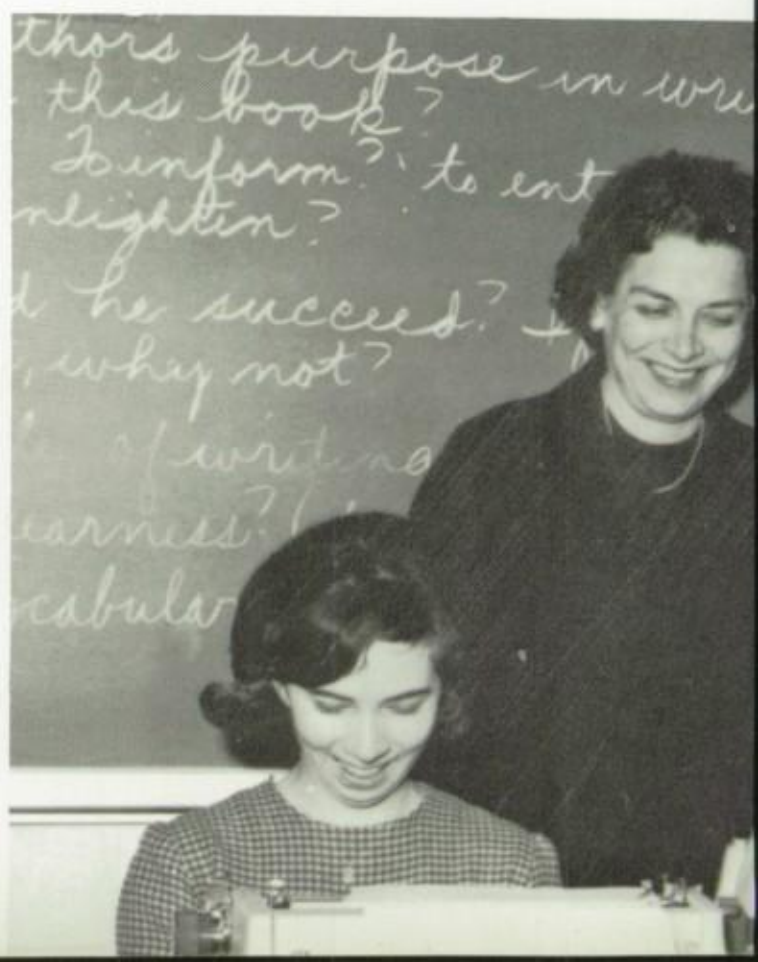
Toshoa Times

This year the Toshoa Times has a new sponsor, Mrs. Margaret Day. Besides publishing the school newspaper they compiled the school directory with the help of the Key Club. They are also selling school pennants. All proceeds from their various projects go into the publishing of the paper.

The Toshoa Times is the best source of current Davidson news. They cover all school events such as Homecoming, P.T.A. news, sports and Kpratsaeday. They also have book reviews, interviews of interesting people and many other items for the students.

Co-editors and Mrs. Day, sponsor, check out last minute details.



Susan Emanual eagerly displays Davidson pennants.

National Honor Society

The W. P. Davidson chapter of the National Honor Society is made up of seniors and juniors who have the following qualifications. They must have scholastic average of 7.0 or better in academic subjects. They must have the qualities of scholarship, character, service and leadership demonstrated through their pupil-teacher and pupil-pupil relationships.

The juniors may become eligible after the first semester grades of their junior year are computed along with those of their freshman and sophomore years.

Key Club

Officers for the '66-'67 Key Club are: President, David Laxton; First Vice-President, Ben Tom Roberts; Second Vice-President, Ken Brown; Treasurer, Carter Matthews; Secretary, Larry Scott; Senior Director, Terry Carter; Junior Director, Dick Hitt; Sophomore Director, Larry Brown; Sweetheart, Debbie Smith.

The motto "We Build" has inspired the Davidson Key Club to new heights this year. The Key Club is an international service organization for boys of high school age. The Davidson chapter is sponsored by the West Mobile Kiwanis Club. A Key clubber must qualify by having potential leadership ability as well as satisfactory grades.

This year's club, with 43 members, is very proud of its achievements in the community and at school. Along with our co-sponsor Mr. William Rogers and Mr. Howard Vaughn, the Davidson Key Club is striving toward the number one position among Key clubs in Alabama.

The biggest project undertaken by the Key Club this year is the rehabilitation of Susan Lee, mentally retarded since birth, has shown marked improvement during these past months. The Key Club is in charge of giving her exercises during the weekends. They are exceptionally proud of the little they have done toward her rehabilitation.

Among our other projects were handing out pamphlets and balloons for the Symphony Guild, taking children to United Fund Parade, selling poppies for Disabled Veterans, helping the Mobile Safety Commissions on vehicle inspection and collecting $150.00 Halloween night for the children's ward at the Mobile General Hospital.

Girls Athletic Association

The purpose of the Girls' Athletic Association is promoting school spirit, stressing good sportsmanship and fair play, and creating a more active interest in girls' sports.

The objectives of the club are: To help the American teen-ager develop in mind, body, and spirit, to help students who are interested in the field of physical education and recreation, to play the game for enjoyment because "it's not whether you win or lose, but how you played the game."

This year, the Davidson Girls' Athletic Association is privileged to have Miss May Campbell as its sponsor.

Spanish Club

Using the name, "Los Guerreros", meaning the Warriors, Davidson's Spanish Club functions to enrich and supplement class language study. Programs are presented on such themes as Flamenco music, bullfighting, and the life and customs of various Spanish speaking countries.

At times guest speakers come, such as area exchange students, local consuls in residence here, and other people informed on various matters pertaining to the study of Spanish.

At Christmas time an annual party is held in which the traditional "pinatas" are broken. At the end of the year a banquet is held, usually at the Spanish Villa, providing students an opportunity to eat typical Mexican food.

The Spanish Club officers for 1966-67 are: President, Betty Richards; Vice-President, Stephanie Lee; Secretary-Treasurer, Linda Pringle; Publicity Chairman, Karen Zelaya. The sponsor is Miss Stovall, assisted by Miss Meredith, and Mrs. Welborn.

French Club

The French Club is the first one at Davidson. Its sponsor Mrs. Shirley Banks is a teacher of both first and second year French. This year's club is a member of the Alabama Federation of French Clubs. The French Club convention, held at the University of Alabama in February, and attended by the club as a group, is an annual project. Another club project was the entire club's attendance at the travelogue "Paris by Day and Night" at the Saenger Theatre.

Study abroad is discussed frequently by the members. Pins and charms are distributed before the first semester. The banquet closes the club's activities at the end of the school term.

W. P. Davidson's Red Cross Council under the leadership of Miss Sherry Smithson, Sponsor; Rebbeca Brannan, President; Norma Havard, Vice-President; is a credit to all because of its outstanding accomplishments. Our council consists of a representative from each section. It is a member of the American High School Red Cross Program and the National Red Cross.

Projects sponsored by the council have been many in number.

Some of them are: A "Davidson Cookie Day," a talent show for the Veterans' Hospital, a United Fund Drive, and an annual car wash.

Davidson's Gray Ladies are to be commended for the excellent job they do in the sick room. After admitting patients, taking temperatures, giving comfort and contacting homes, they find time for other Red Cross projects.

There is a Gray Lady in the sick room every hour of the school day.

The Future Doctors Club is designed to stimulate an interest and a better understanding in the field of medicine. The club is open to any student interested in medicine or a medical career.

The members of the club meet either at Dr. Wright's office or the hospital to hear lectures and see films presented by doctors who are specialists in their fields.

Some of the activities of the club include, field trips and tours of the local hospitals. This years club will again make the annual tour of the Birmingham Medical Center.

Once again we are privileged to have as physician sponsor, Dr. Wm. T. Wright. Mrs. Henderson, one of Davidson's science teachers, is teacher sponsor.

Junior Historic Society

One of the most outstanding organizations at Davidson is the Junior Historic Society. The club was organized three years ago for students interested in local history and preservation of old homes and historical monuments.

The Historic Society has brought closer to its members the richness and true beauty of the historic surroundings of Mobile. Some of the clubs activities include guest speakers, films, and tours to the many spots of interest in our city.

The Distributive Education Clubs of America—otherwise known as DECA—is an organization whose program of leadership and development is designed specifically for students enrolled in Distributive Education.

Distributive Education is a program of instruction which teaches marketing, merchandising, and management. DE students have common objectives and interests. Each is studying for a specific career objective in marketing and distribution.

Perhaps, the leaders of tomorrow will be students from Davidson's DE program.

Office Occupations

Business and office education is a cooperative program of training designed to prepare the student for initial business and office occupations. The purpose of this organization is: to stimulate interest and understanding in the secretarial fields, to gain an everlasting experience in becoming a better secretary or office worker, to learn today to work for tomorrow, and to obtain higher goals for the future.

Davidson's Marching Band

A Christmas Concert, Inaugural Parade in Montgomery, and the District Band Festival held at Davidson were all on the band's calendar for 1966-67. They thrilled and inspired Davidson students and players at football games, pep rallies, and bonfires during the fall months. Orlan Thomas Director of bands, stated, "It is the most enthusiastic marching group I have ever directed."

Davidson leads the district in registration with seventy-five band members competing for assignments to one of three Alabama All-State Bands.

"Today's experiences—
seem tomorrow as memories."

Our Homecoming . . .

The flame of Homecoming victory was in the eyes of the student body as we boosted our Warriors during a pre game pep rally and bonfire. Our roaring support was made known to all while traveling to Prichard Stadium to meet the University Military Cadets. Halftime's gala processions saluted the court. The band formed a background behind it as the former queen, Phyllis Freeland Sharp, crowning her successor, Homecoming Queen Brenda Talbert.

Majestic festivities of Davidson's Fifth Annual Homecoming were climaxed in the school cafeteria for the dance. "The Versatiles" outstanding performance carried out the theme of "Yesterday." The dance continued on to blaze the end of a glorious week.

Davidsonians Gain Top

Emmalee Shanks, a senior at Davidson, has been selected the Alabama Good Citizen Girl. She was chosen by the Fort Conde Chapter, Daughters of the American Revolution. As their Good Citizen Girl, Emmalee is the first student in Mobile to win the state title. She received a hundred dollar War Bond and pin at the state DAR convention in Huntsville in March. In April, Emmalee is eligible to compete for the national title and a thousand dollar bond.

The National Merit Scholarship Program is designed to find talented youth and to give financial assistance to able students who plan to attend college. The Merit Program also seeks to help students evaluate their academic progress to aid them in making educational and vocational decisions.

National Merit Scholarships are financed through funds provided by the Ford Foundation. Sponsored Merit Scholarships are financed by foundations, colleges, industrial firms, professional groups, etc.

This year two Davidson students, Carla Swain and Lynn Abston, are National Merit Finalists. This is an honor to both the students and Davidson. Also, two students, John Elliot and Mike Brissett, are Commended students.

Honors Scholastically

Davidson, as well as Mobile, was well represented in the National Council of Teachers of English Awards. Five Davidson nominees, Carla Swain, Claudia Robinson, Pat Goubil, Emmalee Shanks, and Chris Gay, participated for the award.

In their Junior year, the students had to write an original essay and an autobiography. They took two standardized tests on literary awareness and composition. The fourth requirement was an impromptu essay each student had to write in one hour. Following these requirements their English teachers wrote recommendations of each student. These were sent to Dr. Boyles at Springhill College, who is chairman of the Alabama contest. They were graded by a committee of professors and English instructors.

Each state is allowed as many winners and runners-up as it has representatives in Congress. Alabama had eight winners and 8 runners-up. Emmalee was chosen a winner and Pat was chosen a runner-up. Their names will be sent to every college in the United States to recommend them for scholarships. Their awards were formally announced by John Squire in December.

Appreciation Week

The Mobile Optimists set aside November 14-20 as Youth Appreciation Week. This week honors the community's young citizens who contribute outstandingly to their school and community. Davidson provided five students, elected school wide, to positions of political offices for one day. Davidson was honored again by having two winners in the Optimists Talent Show held at the Springhill Recreation Center. They are: Linda McMath and Kathy Shaffer. Serving as General Chairman for Youth Appreciation Week was Dr. John Cunningham.

Never underestimate the power of a flower. It can make a girl feel like a queen. Five Davidson belles competed for the title of queen with forty-five other girls representing seventeen Mobile County schools in the 1967 Azalea Trail.

The Municipal Auditorium, January 19, was the scene of the pageant. The Queen and her court were chosen by four judges who interviewed the maids for several weeks. There was much tension among the girls on the night of the coronation.

Five maids received scholarships to colleges and universities. Emmalee Shanks, of Davidson, was the recipient of a 500 dollar scholarship given by the Mobile Junior Chamber of Commerce, to any school of her choice.

The Queen and her court have participated in many events in and around the Mobile area, including the Junior Miss Pageant and the half time at the Senior Bowl.

By selling the most tickets to the coronation, Stephanie Lee and one other maid were given a trip to the Sugar Bowl in New Orleans.

The other maids from Davidson are Diana McDonald, Shay McMichael and Brenda Talbert.

Coach Kitchens was previously a coach at Vigor High School. He coached for three years at Vigor and in August of '66 he came to Davidson. "Coming to Davidson" was his reply when asked about special honors that he had received.

Champions ALL.

The coach attended Hattiesburg High School, Hattiesburg, Mississippi, and was a participant in the football and baseball programs there.

Coach Kitchens attended Pearl River Junior College and Livingston State where he received his masters of education degree.

Honors received at college are numerous for Davidson's new defensive coach. He was WHO'S WHO on American Colleges and Universities and all conference in football and baseball. He was varsity captain in football. In the student government he was president of the graduate students.

Cats Down Warriors 21-0

Steve Dyas protects Wade Boyette looking for an open receiver.

The Theodore Bobcats scored two first half touchdowns and beat our Warriors 21-0 despite a dazzling aerial attack in the second half by quarterback Wade Boyette, who passed for a total of 212 yards.

The Bobcats scored on passes of 13 and 37 and a pass interception which was run back for 30 yards.

Davidson put together two serious threats in the second half, but was stopped by an interception and an incomplete pass.

Wade Boyette waits until the last minute to pass to Billy Smith.

Murphy Edges Davidson 21-13

Almost 8,000 fans watched as Murphy's Panthers slipped by the Davidson Redmen by a score of 21-13.

Murphy's quarterback, Phil Gilchrist startled everyone on the first play from scrimmage when he scampered around his own left end for 47 yards to score the first touchdown of the night.

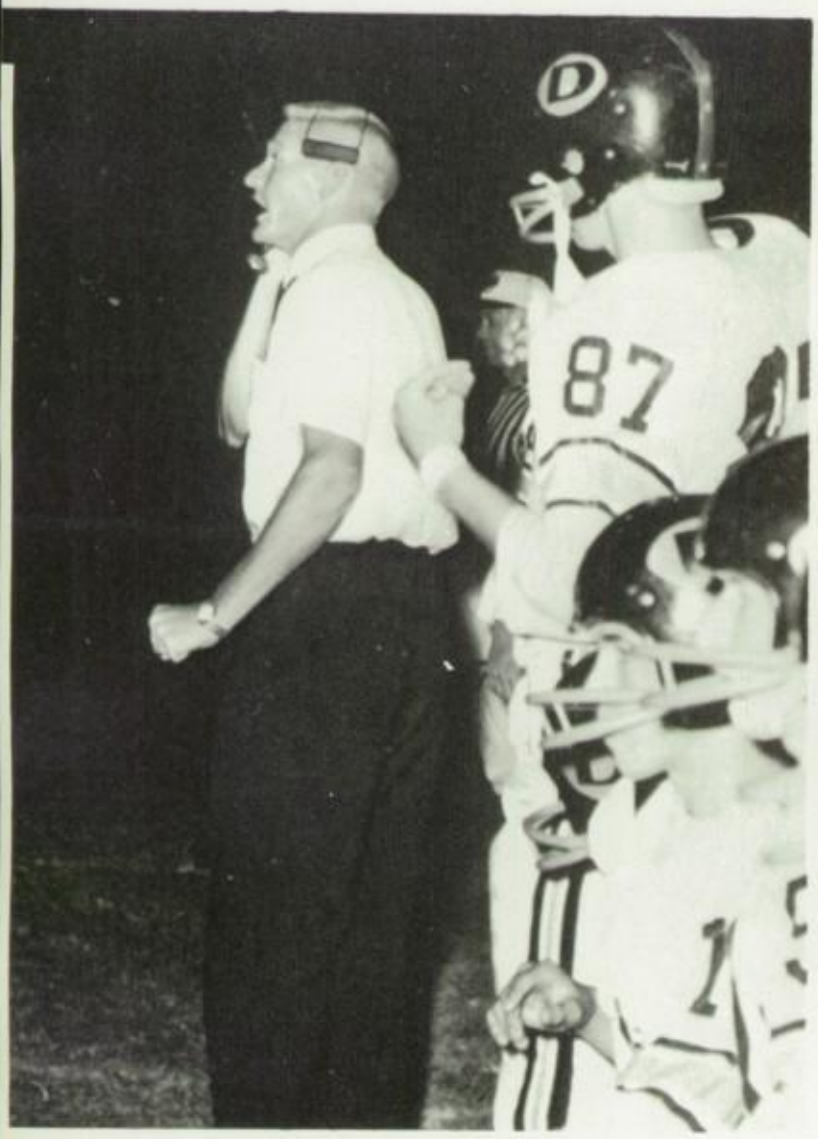
After allowing Murphy an additional touchdown on a pass of 24 yards, Warrior speedster, Jerry Fussell, took the following kickoff and ran back 89 yards for the Warrior's first touchdown of the night. The extra point was blocked.

Murphy tallied an additional touchdown before the first half ended.

Taking advantage of one of two blocked punts during the night, the Warriors, in five plays, hit pay dirt on a 10-yard pass from Boyette to Tony Allison.

Davidson's defense, headed by Tommy Doughty, fights to contain the Murphy Panthers.

Warriors Defeat Rebels



A Wade Boyette pass to Mike Lane with 43 seconds remaining in the game carried our Davidson Warriors to a hard-earned, 7-0 victory over the Escambia Rebels of Pensacola.

Neither team threatened until the third period with 2:50 remaining on the clock. Escambia had the ball, fourth-down and an inch to go for a touchdown. The Davidson defense rose to the occasion and stopped the Rebels. This play so demoralized the Rebels that they managed only one minor threat before the Warriors scored their game-winning touchdown.

Davidson's defensive line stands up to the Rebels.

Jackets Sting Warriors

McGill linebacker, Steve Mayhall, picked up a blocked kick and rambled 50 yards for a touchdown that broke a scoreless deadlock and gave the McGill Yellow Jackets a 7-0 win over Davidson's Warriors.

Mayhall led the charge along with the two other teammates and blocked Ronnie Faircloth's punt late in the third quarter. The extra Point was kicked with 3:32 left in the period.

Earlier the McGilliams got the ball to the Warriors' nine-yard line. But the ball was turned over on downs, thanks to the defensive effort by Otis Davis, Billy Smith, and Tommy Creekmore.

The Warriors threatened, but the Jackets pressured Wade Boyette the entire night.

Davidson took the second half kickoff and drove to the Jackets' 25, but McGill's Tom Tracy intercepted a Boyette pass on the Jacket 14 and ended the Warrior threat.

UMS Holds Davidson to Scoreless Tie

Rival University Military School battled the Davidson Warriors to a scoreless tie. The spirited Warrior defense kept the Cadets from penetrating past the Davidson 20.

Tommy Doughty started the first Warrior threat by intercepting a UMS pass at the Davidson 41. The drive died on the UMS 19. Still another drive, featured by fullback Tommy Creekmore's 50-yard sprint, ended on the UMS 21 with a missed field goal. A final threat in the fourth quarter was halted on the UMS 19 by a fumble.

Jerry Fussel spots a break in the stiff UMS defensive line.

Warriors Trim Raiders

Davidson's Warriors broke open a tight game during an explosive second quarter as they defeated the B. C. Rain Raiders, 30-7.

Tailback Jerry Fussell triggered the explosion as he sprinted six yards for the Warriors' initial touchdown.

Fussell set up the go-ahead touchdown by dashing 59 yards to the Raider 14. Three plays later, Wade Boyette sneaked over from the one.

Defensive back Bobby McKinney added the third Warrior touchdown by picking off a Rain pass and racing 55 yards for pay dirt.

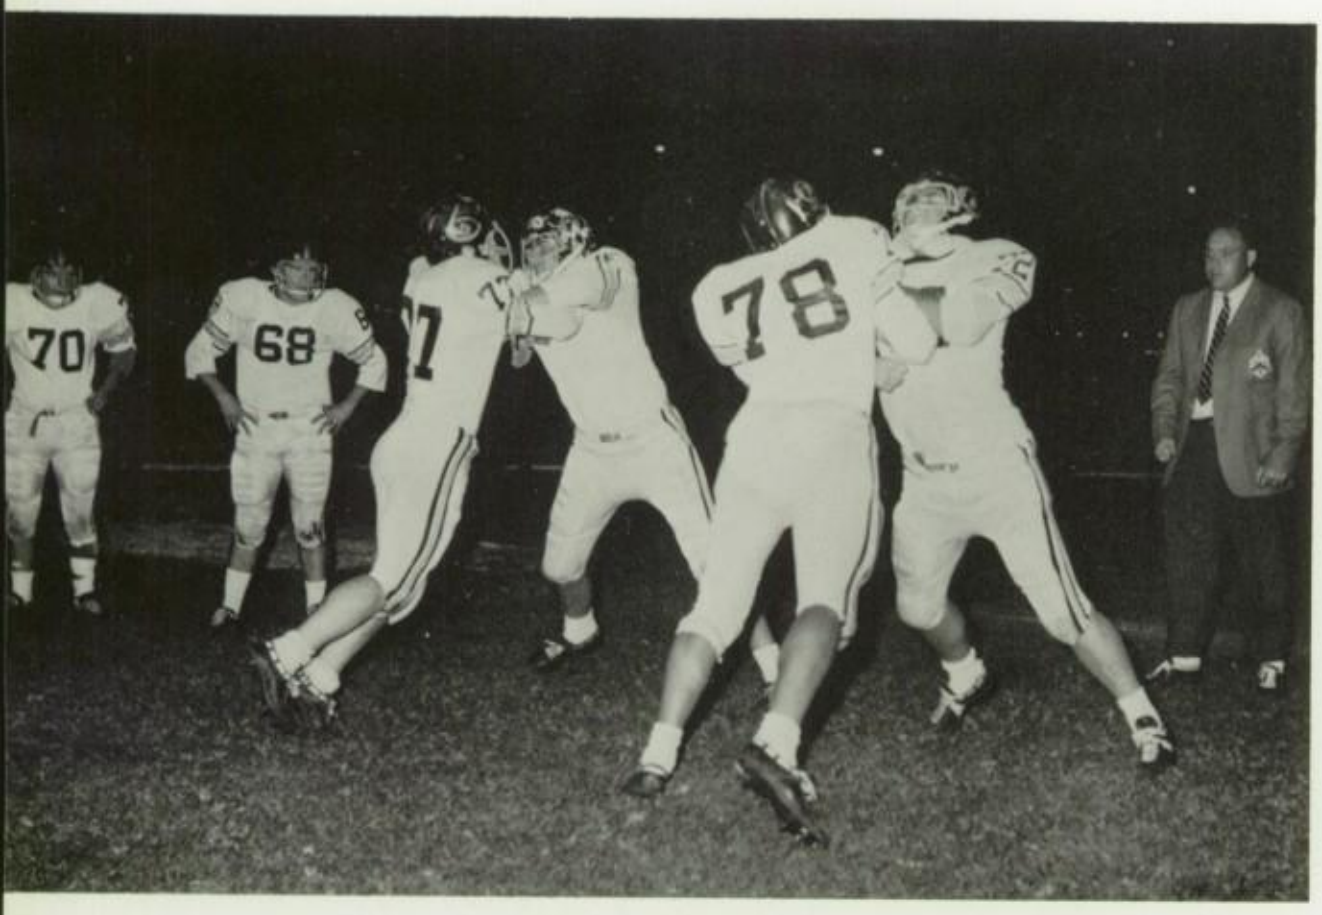
The Warriors wrapped up the issue by driving 88 yards in 10 plays for an additional six-pointer. This drive featured another 69-yard scamper by Fussell. Doughty scored by plunging from the one.

Quarterback Boyette, kicking three after-touchdown points, completed the scoring by adding a 26 yard field goal.

Coach Newton allowed his reserves a chance to play and they accounted for five first downs before a Chuck Rush pass was intercepted on the final play of the game.

Warriors congratulate Bobby Brooks and each other after making one of many touchdowns.

Vigor Ambushes Warriors 28-20



Coach Kitchens warms up the Davidson linemen before the battle with the Wolves.

Davidson's Warriors battled heavily favored Vigor on better than even terms only to lose to the Wolves 28-20 on two sensational punt returns and a pass interception runback from midfield.

Quarterback Wade Boyette passed for all three Warrior touchdowns—to Bobby Brooks, Charles Langham and Tony Allison. Davidson showed its fighting spirit in the fourth quarter when, trailing by two touchdowns, the Warriors drove 92 yards for a score. Boyette converted on two of his three attempts.

Lanier Wallops Warriors 48-0

Dan Diffley and Danny Coffey provide protection for the Davidson backfield.

Powerful Sidney Lanier of Montgomery, extending its bid for the state championship, rolled over the Davidson Warriors 48-0.

The Warriors managed to salvage something, however. They kept the Poets from scoring the first time they got the ball, as Lanier usually does.

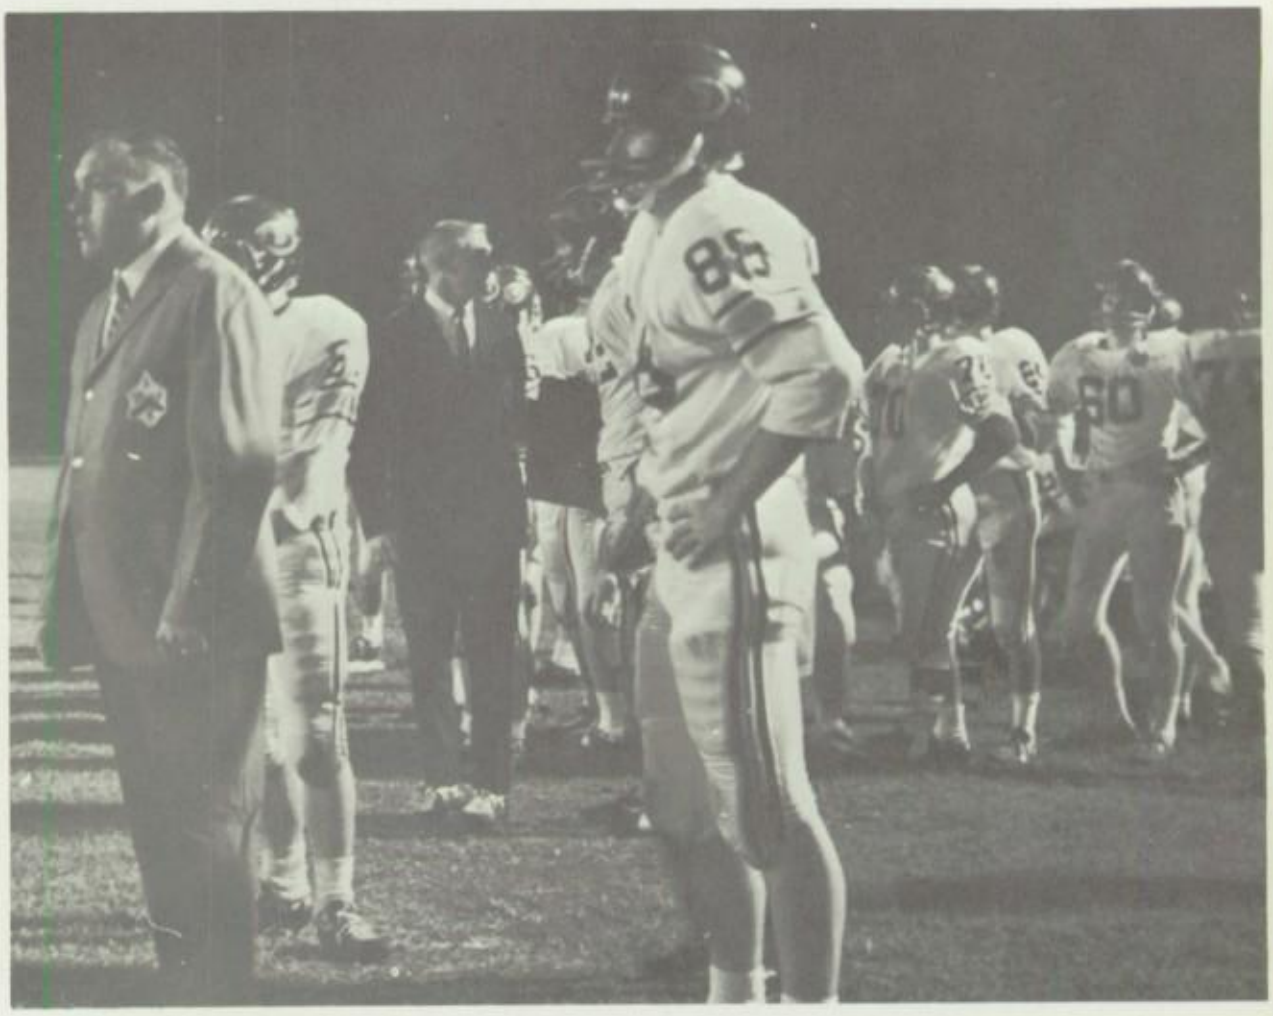
Davidson made one great scoring threat. The Warriors worked the ball down to the Lanier five. On the next play quarterback Wade Boyette passed to Charlie Langham in the end zone but the referee ruled Langham out of bounds when he caught the ball.

Davidson Whips Choctawhatchee 20-14

Speedy Jerry Fussell pulled Davidson out of a hole with a 94-yard runback of a kickoff and quarterback Wade Boyette passed for two second-half touchdowns as the Warriors defeated Choctawhatchee of Fort Walton Beach, Florida, 20-14.

The northwest Florida school had jumped into the lead in the opening quarter when lineman Gary Wuber grabbed a Warrior fumble on the Davidson six and carried it into the end zone.

Fussell made his brilliant runback on the following kickoff. In the third quarter, Boyette connected with Tommy Creekmore on a 55-yard scoring play and later tossed 23 yards to Bobby Brooks for another touchdown. Boyette converted after two of the touchdowns.

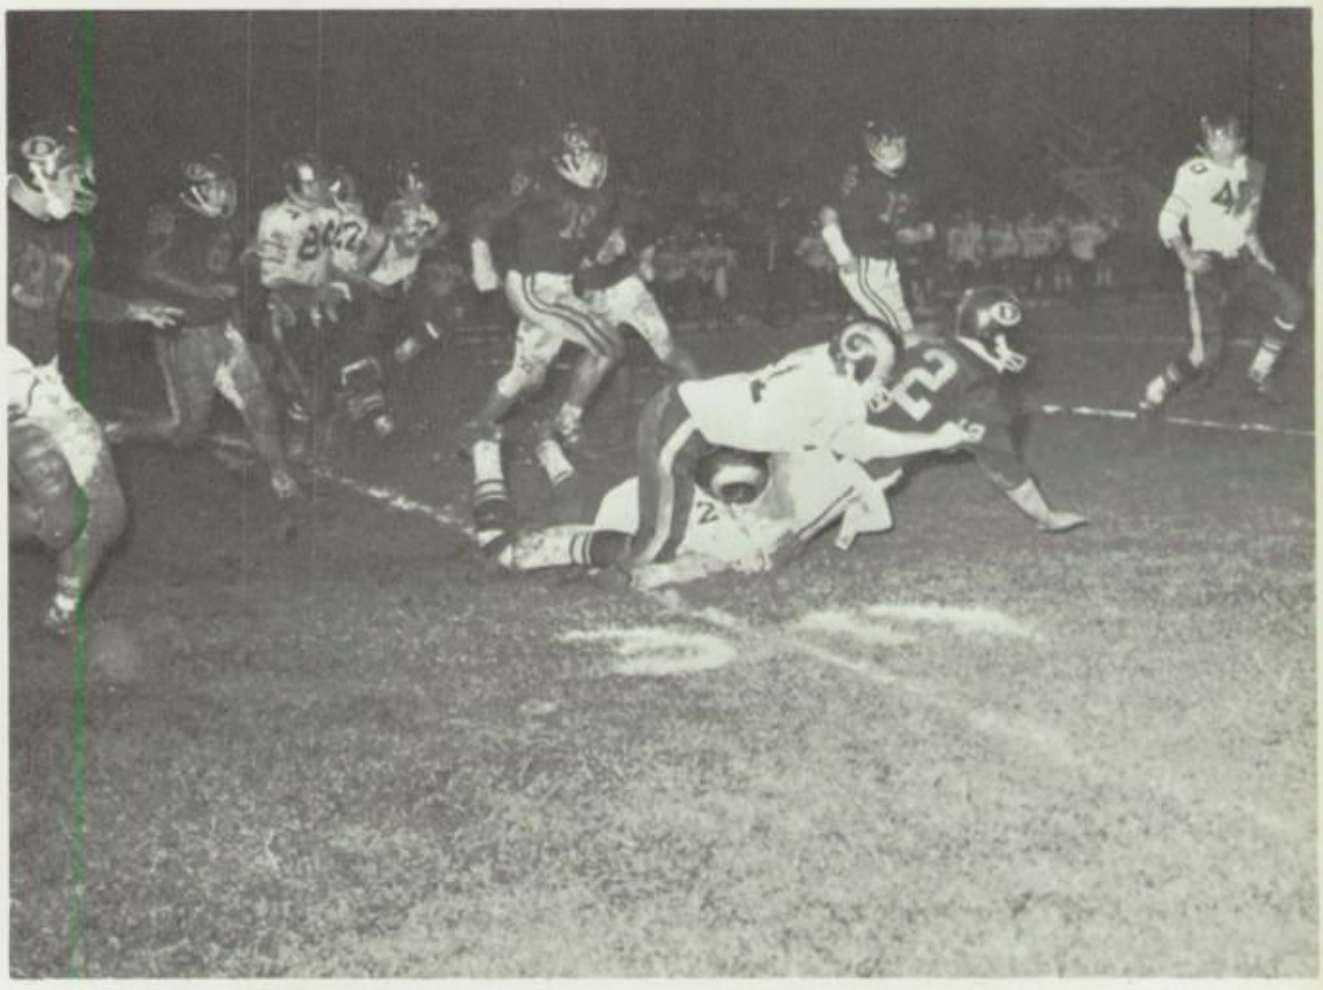


Davidson Ends Season in 16-7 Win

Speedster Jerry Fussell scored on brilliant dashes of 63 and 85 yards as the Davidson Warriors closed out the season with a 16-7 victory over the Rutherford High Rams of Panama City, Florida.

Both scoring sprints came in the first quarter. The second one was set up by Ken Brown, who intercepted a Ram pass in the Warrior end zone and ran it out to the 15. Two points were added in the fourth quarter when the Warriors tackled a Ram ball carrier in the end zone.

The Davidson Warriors end up their season with a 4-5-1 record.



The mud flies as two Rams take down Wade Boyett after a twelve yard gain.

Davidson's Junior Warriors ended their season with a 2-3-2 record. They played seven games this season, scoring 58 points to the opposition's 58.

Murphy beat Davidson 20-7. Joe McDonald scored in the first game from the three in the first half for Davidson's only touchdown.

The Junior Warriors came back strongly and whipped B. C. Rain 31-7. It was a scoring romp for the Junior Varsity.

The Junior Varsity lost to Vigor 7-0. They worked hard to win but they couldn't quite hold the Wolves.

Davidson had to settle for a 13-13 tie with McGill. The young Warriors came close to winning with an onside kick. They worked down close to the goal line but time ran out.

Davidson came back and defeated Murphy 7-0 the second time they played. Grady Brazell was the hero of the game, catching a pass in the end zone to score the only touchdown.

Vigor again beat Davidson in their second meeting 15-0. Davidson just couldn't seem to get a good offensive drive going.

The last game of the season with McGill ended in a 0-0 tie. Both teams came close to scoring but the defenses were too strong.

Jr. Varsity Opens Season with New Coach

ROW 1: Jimmie Riley, Richard Chin, David LaVecchia, Glenn Elam, Chuck Rush, Ronnie Faircloth; **ROW 2:** Coach Crenshaw, Robert Gilmore, Bud Barr, Kenny Altman, Jimmy Bennett, Grady Brazell, Lynn Jones, Mike Merchant (Manager)

The Junior Varsity Basketball Team had a winning season. The JVs wound up the year with an 8-7 record and an average of 55 points per game under Coach H. T. Crenshaw.

Leading scorers were Grady Brazell, with an average of 17.5 points per game; Lynn Jones, with a 10-point average; and Chuck Rush, with 9.6. Top rebounders were Kenny Altman, Rick Steadman and Brazell.

Jones and Shorty Gilmore had the best field goal percentage, and Jimmy Heard paced the squad in foul goal shooting percentage with 70 per cent. Jones followed in the foul goal shooting by sinking 65 per cent of his attempts.

Crenshaw, a coach at Azalea Road Junior High, said he enjoyed working with the Davidson Junior Varisty. "I appreciate their cooperation," Crenshaw said, "and it is my wish that each and every one of them become fine basketball players for the Davidson Varsity."

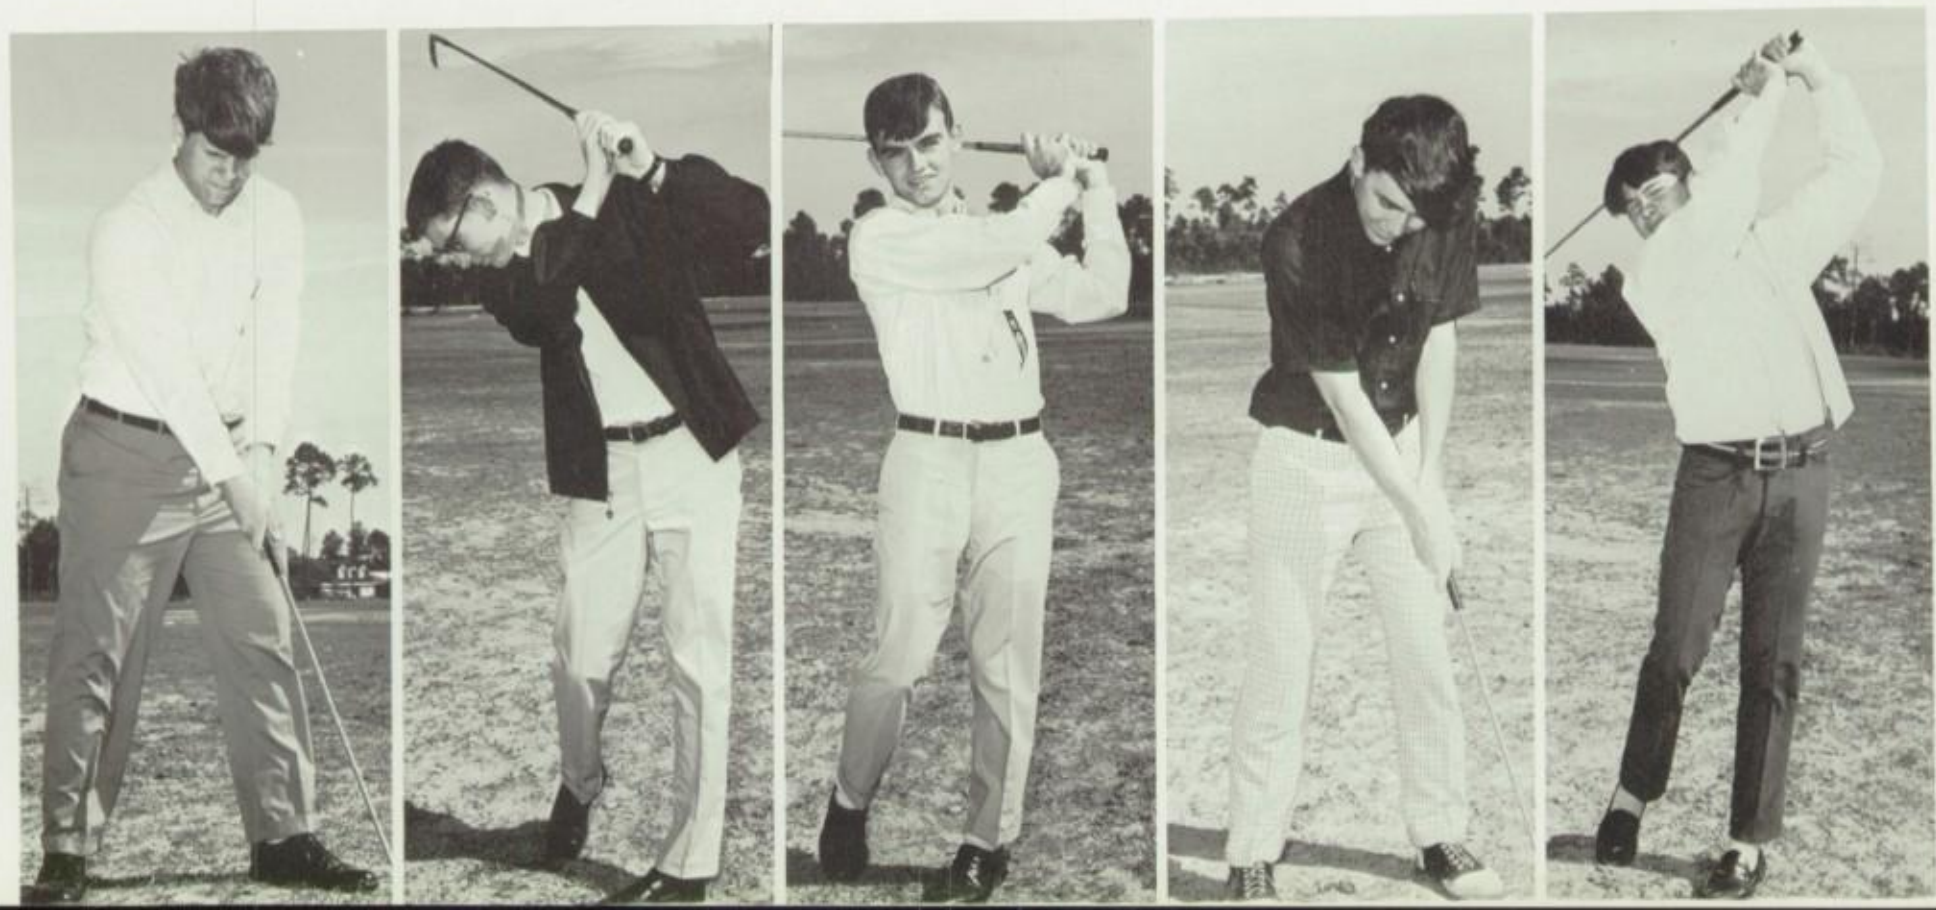
A new sport is being added to the Davidson High School athletic program — golf. It will help in rounding out our spring sports program. The team will be directed by Coach Larry Newton, who admits "I'm not too good a player but I enjoy it a lot." Top prospects for the team include John O'-Neill and Ben Tom Roberts. Much enthusiasm was noted as the season began.



Returning Lettermen Offer A Promising Year

ROW 1: Charles Dulaney, Mike Powell, Eddie Cone, Doug Sewell, Ken Brown, Mike Merchant (manager); **ROW 2:** Coach Babuchna, Joe Williams, Blake Luker, Wade Boyett, Billy Smith, Mike Mulligan, Ronnie Adams.

With lettermen returning at every position and a strong pitching corps back, prospects were bright for the Davidson varsity baseball team directed by Coach Paul Babuchna as the TOSHOA Annual went to press.

Heading up the pitching staff is Wade Boyett, leading hurler last season, and Charles Dulaney and Ronnie Adams, also lettermen.

The squad, which finished in the 4-A Conference last year, also has these lettermen back: Doug Sewell, Catcher; Ken Brown, first base; Don Faircloth, Second base; Mike Powell, shortstop; Billy Smith, third base; Joe Williams, leftfield; Blake Luker, Centerfield; and Eddie Cone, rightfield.

The Davidson Track and Field Team will be counting heavily on the services of sophomores and juniors for success during the coming season under Coach Richmond Brown. The team finished third in the city and district last season.

Jerry Fussell and Bruce Anderson will handle the 100 and 220-yard dash chores and Glenn Elam and Steve Walker will run the 440. The 880 event has Doug and Dan Ellard, Bob Mann and Bill Rambo.

The distance events will be manned by Tommy Dorer and Mike Farnell in the mile and Wayne Duvall, Mike Eldridge and Randy Quimby in the two-mile competition.

Bobby Brooks will compete in the 120-yard high hurdles and Mike Moss in the 180-yard low hurdles.

In the field events, Dan Coffee, Ronnie Carley and Dan Diffley will be in the shot put and Diffley and Tom Creekmore in the discus toss.

The high jump at the moment is a question mark. Joe McDonald and Jerry Johnston are top men in the broad jump, and George Parker will handle the triple jump.

Strikes And Spares Sum Up

The Davidson Bowlers and Davidson Bowleretts are composed of students who are interested in bowling as an extra-curricular activity and one which will be a life-time recreation. There are six teams in each league. The members are sanctioned by the American Junior Bowling Congress which recognizes high scores and other achievements by awards to those individuals accomplishing such scores.

The two leagues are planning to participate in the state bowling tournament for AJBC members which will be held in Montgomery in March.

Freshman Class Officers

We become real persons as we assimilate into ourselves all manner of experiences. The new experience is not at first ours. It may even call a halt to our activity while we survey it and pass judgment upon it. This period of judgment, of caution, hesitation and experiment is self-consciousness. In a normal life this stop should be brief.

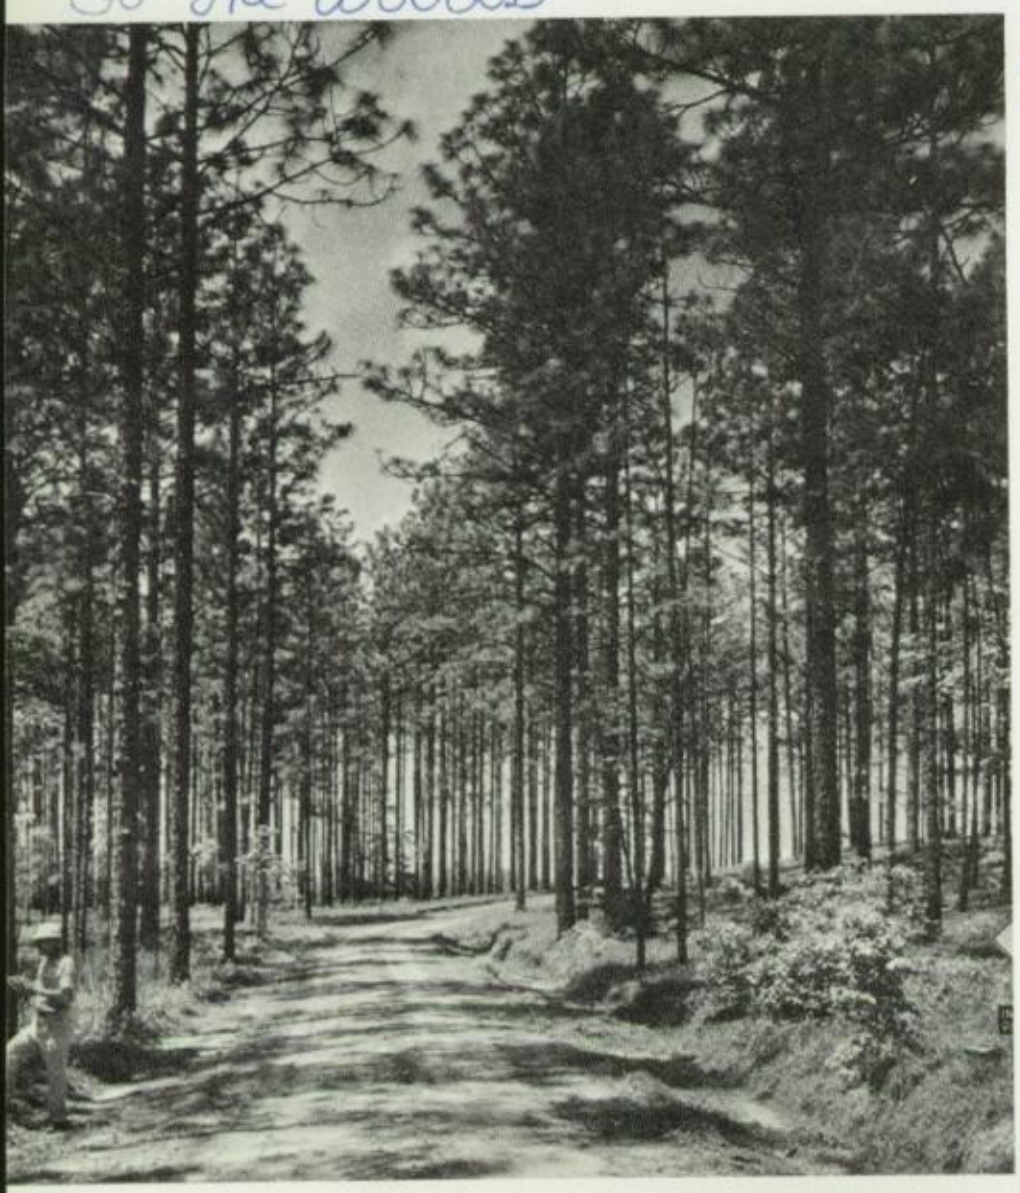
To The Woods ——— Tommy - it's been wonderful knowing you. Good luck always ——— Peggy Jones



THE FUTURE IS BRIGHT . . .

The future is bright for the forest farmer who plans ahead. This is true because more and better trees will be needed to meet our growing nation's demands for wood products.

Also, wood-using industries and related organizations are investing large sums of money in research activities to discover new uses and new markets for wood and wood products. As they are found, the forest farmer is in a favored position to profit from this demand for his trees. The landowner who manages his forest at a minimum of expense and grows trees of high quality will reap the greatest profit.

The future is also bright for the forester, as more scientific management must be applied to plantations and natural stands of timber in order for them to be brought into maximum production. To accomplish this, the services of dedicated and skilled foresters will be required.

Working together, the future is indeed bright for the tree farmer and the forester.

Campus life at Davidson is more than an oak that changes its colors with the seasons. Reflecting a myriad of persons, and events, the colors of Davidson change with each passing day—Junior-Senior Prom, pep rallies, Homecoming, Parent Teacher Meetings, Azalea Trail Coronation, football games, finals, cokes at Shoney's, results of the American College Test, walks to class with an instructor. Campus life is—membership in one of Davidson's numerous organizations, conventions at Universities and Colleges, post game dances, the annual rivalry with Murphy, the wearing of caps and gowns, the singing of the Alma Mater.

These are the experiences which provide a common bond with the universal student. Experiences are fitting into the puzzle which is now our life. Campus life is our life at Davidson.

I have much gratitude and sincere thankfulness to such people as:

Mr. Edward L. White—friend, consultant, and principal.

Mr. Jerry Thompson—representative of the American Yearbook Company.

Mrs. Mildred Atkins (the perfect advisor)—veritable workhorse, a gentle brake, understanding friend, and a morale booster.

Fred Gordon—creative phogographer, doing pictures over and over again to get the desired effect.

Our staff—often confused but ever loyal to make the book a reality.

The Key Club—always willing assistance at car washes and assemblies.

The Art Department—providing the props for the Mr. and Miss DHS assembly.

Our parents and teachers—without their patience and encouragement we would have surely failed.

Finally a special thanks to you, the student body, not only for your participation in the events we have provided for you, but for presenting a "Why" of the TOSHOA '67.

Many Anxious days have passed in creating these pages. You have now reached the last page. However, this is not the end. I hope that you will return to the TOSHOA '67 in the years to come.

Tom,

Well Tom, we have really been great "cutters" since the tenth grade. Really, we have had a lot of fun together and I shall cherish our friendship forever.

I know you will succeed in life, and I wish you the best of luck.

Be good.

Best always!

Love,
Paige

ROLL TIDE

Tom,

It's been fun knowing you this year. You're a real sweet boy (sometimes). I hope you have the best that life has to offer. I'll always remember you and all the fun in Major's room

Good Luck

Best!

HEY TOM!
You have been one of the two true friends that I have known in the six years I have lived in Mobile. You helped me get a start and I am going to try and follow through. Thanks if I can ever do anything for you, let me know.

honest,
Sugar Booger, Mark

Tom,
Even if you did steal my
chair in POD.
Even if you did argue
with me when you didn't know
what you were talking
about
Even if you did let your
tire go flat on Prom night
Life at DHS this year would
have been boring without
you. You've got a wild sense of
humor in an ever neutral
personality that really
adds seasoning to any group.
Best of Luck in the future.
God be with you always.
Remember me,

Taylor,

I guess this is the time we take different roads (it's about time!) I've known you for the past 2 years and have gained nothing (note) I hope you will make it big in the future and maybe we'll meet again sometime. Good Luck

Your Friend Always,
